Initial

Although our school ONLY closes for our annual holidays every December, School fees are payable for a full 12 months of a calendar year and no exceptions will be made for non-payment in December months. This rule also applies to children leaving our school in a new calendar year or going to Grade 0/R or Grade One.

Please be advised that our school accounts are now outsourced and are linked to “accountability”. Should school fees be in Arrears, you will be blacklisted and responsible for collection fees as well as all interest charged. By signing our registration forms, and with us being a member of “accountability”, you hereby give us permission/authority to do a credit check on both parents.

IMPORTANT NOTIFICATION:

1. School fees are payable in advance on the 1st of every month.
2. Fees are payable in full every month, from January right through to and INCLUDING December.
3. If the school fees are NOT settled by the 7th of the month, a 10% (R315.00) late payment penalty Fee will be raised.
4. If the school fees are still outstanding by the 10th of the month, services to you and your child will be suspended with immediate effect.
5. Should your child be suspended and be absent from school for the entire month, your child will be removed from the system, you will be liable for the payment of the suspension month together with a notice month, and will be handed over to our attorneys for collection.

Any outstanding school fees will be severely dealt with. All outstanding accounts will be handed over to our attorneys for collection on a monthly basis and you as the paying parents will be responsible for collection fees and will unfortunately be black listed. We will no longer accept any child onto our school premises after the 10th of each month if school fees are not paid in full.

NOTICE

Parents must give one full month’s notice should they wish to withdraw their child/children’s attendance from the school. A calendar month means from the 1st of the month.

Our school requests a full terms notice if notice is given any time after the 3rd term. Should you give a full terms notice, you WILL still be responsible to pay the December school fees. No child may be withdrawn from school during winter months and be brought back in Spring or Summer. If this does occur, due to whatsoever reason, you will be required to pay your monthly school fees as normal. **Please be advised that school fees up to and including December are payable.**

Initial

Should a public holiday fall on a Tuesday or a Thursday, our school will always be closed on the Monday prior or the Friday following.

Please help us by having your child at school before 8H00 every morning. Children arriving late not only interrupt the class but all the classes that needs to be walked passed. This is a sign of disrespect towards the teacher and the parents and children that are on time.
