- Ⓜ The patient is our priority.
- Ⓜ We can help with his/her blocked nose or tight chest.
- Ⓜ We work closely with the doctors in the area.
- Ⓜ We charge medical aid tariffs and do not charge an additional fee to visit the day mothers or nursery schools.
- Ⓜ Treatments are given with lots of love and care.
- Ⓜ This is a traveling practice and we can give advice on any orthopaedic or neurological disorder and help with treatments at the consulting rooms.
- Ⓜ Our services are also available at the consulting rooms for parents for conditions like headaches, orthopaedic conditions, sport injuries and respiratory conditions.
